

VIPER PEROXIBLAST POWDER

Peroxide Activated Alkaline Concrete, Tile & Grout Cleaner/Degreaser

X Grout X Quarry Tile X Saltillo

X Concrete X Ceramic Tile X Porcelain Tile

X = Primary Use ✓ = Secondary Use

HYDRO-FORCE®

6.5 Pounds (2.95 Kilograms)

- Special blend of surfactants to attack particulate soil
- Combination of solvents and alkalinity to break down oily soil build up
- Formulated with oxygen booster

DIRECTIONS FOR USE:

Read entire label before using. Use only as directed. Always pretest surface with cleaning solution for colorfastness prior to cleaning. Ensure work area is well-ventilated. Keep children and pets out of the area during application and drying. This product is not for use on natural stone. For best results, use mixed solution within two hours.

1. For normal soiling, mix 2 ounces of powder with one gallon of warm or hot water into a professional sprayer. For extreme soiling, mix three to four ounces of powder with a gallon of warm hot water into a professional sprayer. For application through a Hydro-Force Inline Injection Sprayer, mix 12 oz. of powder and fill container with water. Use 4:1 dilution.
2. Apply mixed solution with sprayer evenly and liberally across surface to be cleaned. If preferred, you can apply mixed solution with a damp mop, sponge, or other appropriate professional equipment. If using a mop for solution application and surface cleaning, change your mop water often to make sure that soil is not redeposited. If extra agitation is needed, it can also be applied through a shampoo tank of rotary scrubber utilizing appropriate brush or pad.
3. Allow for 5 -10 minutes of dwell time. For concrete, if there are stains that have been deeply absorbed, allow 15 minutes of dwell time so the solution has time to reach into the concrete pores and crevices and the oxygen activated effervescent solution can dissolve the soiling and lighten discoloration through bleaching action.

4. For best results, agitate and rinse cleaning solution using warm or hot water and a rotary agitation surface cleaner such as a Hydro-Force SX-15, SX-12 or SX-7. For tight spaces or especially sensitive surfaces, use the Hydro-Force Gekko Hard Surface Extraction Tool, or simply mop to rinse with clean warm or hot water.

5. Allow to dry. Accelerate drying with air mover like the Hydro-Force Air King or OmniPro OmniDry air mover.

INGREDIENT DISCLOSURE

Sodium Carbonate, Sodium Carbonate Peroxide, Sodium Silicate Pentahydrate, Trisodium Phosphate, C9-11 Alcohols Ethoxylated, Zeolite, PEG-15 Cocomonium Chloride, Propylene Glycol Butyl Ether, Terpene Hydrocarbons, Water, Propylene Glycol 2-Butyl Ether.

IMPORTANT NOTICE TO PURCHASER: Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. DANGER!

Keep out of reach of children.

HAZARD STATEMENTS:

Causes severe skin burns and eye damage. May cause respiratory irritation.

PRECAUTIONARY STATEMENTS:

Do not breathe dust/fume/gas/mist/vapors/spray. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. Use only outdoors or in a well-ventilated area. Immediately call a POISON CENTER or doctor/physician. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

Call a POISON CENTER or doctor/physician if you feel unwell. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Store in a well-ventilated place. Keep container tightly closed. Store locked up. Dispose of contents/container to an approved waste disposal plant.

PELIGRO!

Mantener fuera del alcance de los niños.

INDICACIONES DE PELIGRO:

Provoca quemaduras graves en la piel y lesiones oculares graves. Puede irritar las vías respiratorias.

CONSEJOS DE PRUDENCIA:

No respirar el polvo/el humo/el gas/la niebla/los vapores/el aerosol. Lavarse la cara, las manos y la piel concienzudamente tras la manipulación. Usar guantes/ropa de protección/equipo de protección para los ojos/la cara. Utilizar únicamente en exteriores o en un lugar bien ventilado. Llamar inmediatamente a un CENTRO DE INFORMACIÓN TOXICOLÓGICA o a un médico. EN CASO DE CONTACTO CON LOS OJOS: Aclarar cuidadosamente con agua durante varios minutos. Quitar las lentes de contacto, si lleva y resulta fácil. Seguir aclarando. EN CASO DE CONTACTO CON LA PIEL (o el pelo): Quitar inmediatamente la ropa contaminada. Enjuagar la piel con agua/ ducharse. Lavar las prendas contaminadas antes de volver a usarlas. EN CASO DE INHALACIÓN: Transportar a la víctima al exterior y mantenerla en reposo en una posición confortable para respirar. Llamar a un CENTRO DE INFORMACIÓN TOXICOLÓGICA o a un médico si se encuentra mal. EN CASO DE INGESTIÓN: enjuagarse la boca. NO provocar el vómito. Almacenar en un lugar bien ventilado. Mantener el recipiente cerrado herméticamente. Guardar bajo llave. Eliminación de contenidos/ contenedor a una planta de incineración autorizada.

DANGER!

Tenir hors de portée des enfants.

MENTIONS DE DANGER:

Provoque de graves brûlures de la peau et des lésions oculaires. Peut irriter les voies respiratoires.

CONSEILS DE PRUDENCE:

Ne pas respirer les poussières/fumées/gaz/brouillards/vapeurs/aérosols. Se laver le visage, les mains et toute surface de peau exposée soigneusement après manipulation. Porter des gants de protection/des vêtements de protection/un équipement de protection des yeux/du visage. Utiliser seulement en plein air ou dans un endroit bien ventilé. Appeler immédiatement un CENTRE ANTIPOISON ou un médecin. EN CAS DE CONTACT AVEC LES YEUX: rincer avec précaution à l'eau pendant plusieurs minutes. Enlever les lentilles de contact si la victime en porte et si elles peuvent être facilement enlevées. Continuer à rincer. EN CAS DE CONTACT AVEC LA PEAU (ou les cheveux): Enlever immédiatement les vêtements contaminés. Rincer la peau à l'eau/ Se doucher. Laver les vêtements contaminés avant réutilisation. EN CAS D'INHALATION: transporter la victime à l'extérieur et la maintenir au repos dans une position où elle peut confortablement respirer. Appeler un CENTRE ANTIPOISON ou un médecin en cas de malaise. EN CAS D'INGESTION: Rincer la bouche. NE PAS faire vomir. Stocker dans un endroit bien ventilé. Maintenir le récipient fermé de manière étanche. Garder sous clef. Éliminer le contenu/récipient dans une usine d'élimination des déchets approuvée.
