

Electrostatic Cordless Backpack Sprayer

4 Gallon | Battery Powered

Ideal option for disinfecting, sanitizing, odor removal and decontamination applications. Maximize application flexibility with various size tips and cannon for precision or large area coverages.

- ▶ **Electrostatic charge promotes enhanced surface coverage of the applied chemical droplets**
- ▶ **Telescoping Wand offers multiple nozzle options and extended reach: Cone (precision), Double (larger), Single (small) fan-to-jet adjustable**
- ▶ **Cannon propels up to 18 feet (with fan on), 6 feet with blower off**
