

Facility Maintenance Tile & Grout Package

Everything you need to keep your tile & grout looking clean. The Olympus high-pressure portable extractor goes up to 1,200 PSI so you can use tile tools like our SX-15 and Gekko tools to blast the most stubborn dirt off hard surfaces, plus the adjustable PSI allows you to clean carpet as well. It's our most versatile portable. Includes an auto pump-out, auto fill, and solution and vacuum hose kit.

*Buy the portable and
get all the accessories
FREE!*

Included accessories and chemicals are FREE when you buy the machine and include our top-selling Viper tile & grout cleaning solutions, a commercial-grade pump sprayer, our most absorbent microfiber towels (48 total), and nitrile gloves to keep your hands clean.
