*Not available on 3/4" hoses.

Flexon's Heavy Duty Premium hoses feature a 'forever-flow' inner tube which guarantees a continuous flow of water if ever the hose becomes twisted or kinked.

Flexon's patented Guard-N-Grip connector protects the hose coupling from becoming damaged while making it easier to connect and disconnect the hose from any faucet or spigot!

AQUACOIL™, the revolutionary garden hose saves you time and energy in your everyday household chores. It's unique design eliminates the need for hauling, lugging and wrapping up. It rebounds itself after each use and is incredibly easy to handle and put away. Each AQUACOIL™ is equipped with rugged solid brass connection fittings and is made with a special blend of materials to give it spring coiling action.

Flexon Industries also offers a complete line of watering tools and accessories to accompany our expansive line of watering hoses.

Both ergonomically designed and easy to use, our quality line of watering tools include watering wands, gutter cleaners, sprinklers, hose nozzles and much more.

With such a wide selection of watering tools, accessories and hoses to choose from, it's easy to see why Flexon is now your complete watering source!

For more information about our complete line of watering tools and accessories, please call (800) 327.HOSE (4673) or visit us on the web at www.flexonhose.com
