

FOAM-LESS

LIQUID DEFOAMER

High pressure cleaning equipment and residue from past cleaning often combine to create foam in your waste tank. Foam can cause loss of vacuum pressure and ruin your equipment.

Foam-Less in your waste tank suppresses foam to keep your equipment running at peak efficiency.

X = Primary Use √ = Secondary Use

Contents: One U.S. Gallon (3.79 Litres)

- For professional use only
- Keep out of the reach of children
- Before using, read all cautions and directions!

- Clean equipment and residue from past cleanings
- Keeps equipment running at peak efficiency.

INSTRUCTIONS

Shake well before use. Concentrate - add 1 to 2 oz. directly into waste tank before cleaning and after dumping tank. Increase or decrease amount depending on foaming conditions created by water flow, previous residue and/or size of tank.

Dilution - 1 part to 16 parts of water when pouring or spraying in vacuum hose periodically during cleaning. Increase or decrease dilution of product depending on foaming conditions created by water flow, previous residue, auto pump outs and/or size of tank.

INGREDIENT DISCLOSURE

Water, Triethanolamine, Silicone Emulsion, Benzisothiazolinone.

INSTRUCCIONES

Agite la bien antes de usarse. Cocentrado: agregue de 1 a 2 onzas directamente al tanque de residuos (agua sucia), antes

de limpiar y vaciar el tanque. Aumente o reduzca la cantidad dependiendo de la cantidad de espuma creada por el flujo de agua, los residuos anteriores y/o el tamaño del tanque.

Dilución: 1 parte del producto por 16 partes de agua al verter o rociar en una manguera de aspiradora, periódicamente durante la limpieza. Aumente o reduzca la dilución del producto dependiendo de la cantidad de espuma creada por el flujo de agua, los residuos anteriores, el accesorio de bombeo automático y/o el tamaño del tanque.

IMPORTANT NOTICE TO PURCHASER: Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
