

Shieldtech Series 300

Shieldtech series 300 shoe covers are constructed of white heavy duty CPE film making them water-resistant, excellent for containing moisture and dirt from street shoes, resistant to chemical corrosion and textured for excellent grip. The Shieldtech series 300 shoe covers are lint-free as well as manufactured and bagged in a stringently clean environment. The Shieldtech series 300 shoe covers are available in sizes standard and x-large.

- These shoe covers are an economical alternative when a low particulate material is needed to protect against splash
- Ankle high slip on with elastic top
- Hand-made elastic band gives secure yet comfortable fit around the shoe
- Superior liquid resistance
- Disposable

Shieldtech Series 200
